Creating the optimal environment

A 360° view on system controls

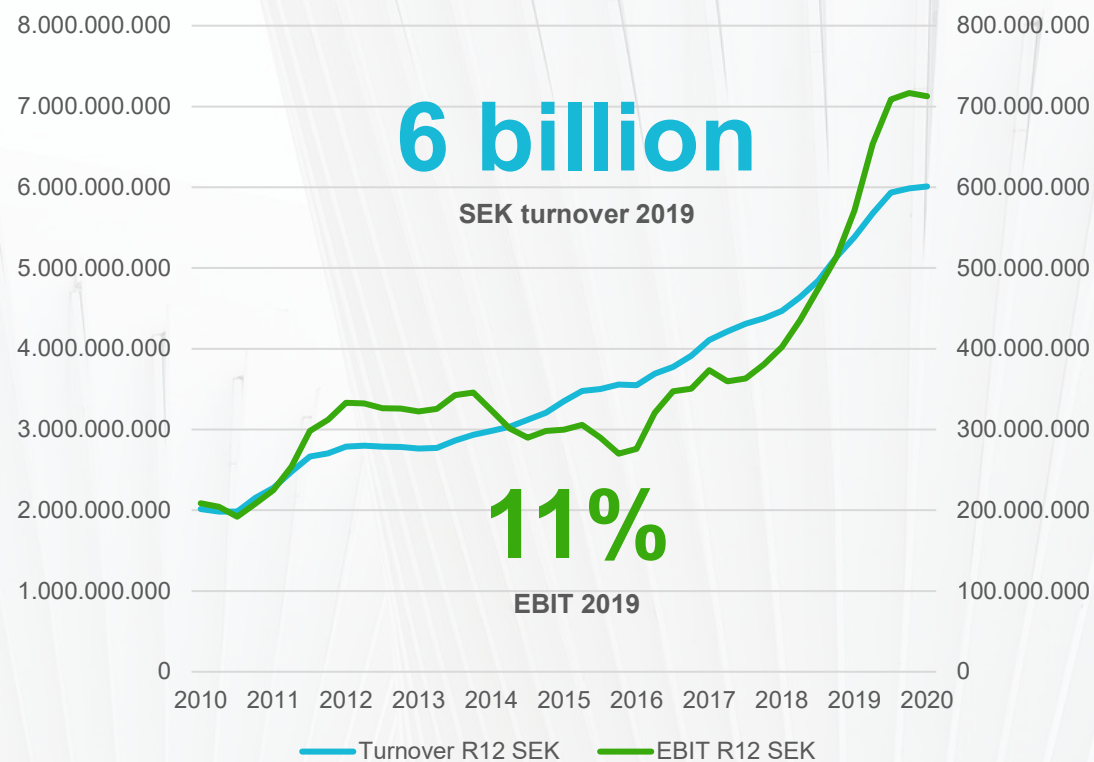

Reliably strong performance

2,700

Employees across the globe

High growth rate, high profitability

WISE II

Fordele gennem hele bygge
processen

Fordele ved Wise II systemvalg

- Samlet løsning fra én leverandør
- Energibesparende (VAV system)
- Økonomisk optimeret trådløst system
- Undgår gråzoneproblematikker
- Optimalt behovstyret indeklima
- System fleksibilitet
- Nemt kobling til CTS/BMS systemer
- Driftsvenligt/sikkert for brugerne

Feel good **inside**
